

STP® DEX ANTIFREEZE/COOLANT

TECHNICAL DATA

Since 1954, STP® has been the premier American brand name for automotive additives, lubricants and performance products in the USA. STP® DEX Antifreeze/Coolant is an ethylene glycol type automotive engine coolant based on a patented extended life carboxylate inhibitor system. This superior quality engine coolant is free of borates, nitrites, silicates, and amines. It protects all cooling system metals including aluminum, as well as rubber hoses, gaskets and plastics. Recommended for initial fill or top-off in all gasoline and diesel engines where a DEX-COOL®* type products are in use or are required.

Performance, Features & Benefits:	<ul style="list-style-type: none">• Premium extended life antifreeze/coolant• Provides up to 5 years or 150,000 miles of protection• Free of borates, nitrites, silicates, and amines• Protects against corrosion of all cooling system metals, including aluminum• Compatible with most major brands of extended life Organic Acid Technology (OAT) type antifreeze/coolant formulated to meet the DEX-COOL[®]* requirement (GM 6277M)	
Package Size Offerings	Concentrate 3x1 Case	Part #11087
	Concentrate Drum	Part #10269
	Concentrate Tote	Part #10267
	Ready-To-Use 3x1 Case	Part #11088
	Ready-To-Use Drum	Part #10274
	Ready-To-Use Tote	Part #11214
Aluminum Compatibility	Yes	
Contains Bitterant	Yes	
Base Fluid	100% Virgin Ethylene Glycol	
pH, 50% Volume Solution	8.0-9.0	
Product Color	Orange	
Specifications, Approvals & Recommendations*†	ASTM D3306 ASTM D4985 GM 6277M (DEX-COOL [®] *) SAE J941 <i>*For a full list of performance specifications, visit www.stpcoolant.com. †Meets most performance requirements but may or may not meet certain chemical requirements.</i>	
Recommended Change Interval	Up to 5 Years/150,000 Miles	

KOST® USA, Inc. recommends to always properly dispose of spent coolant. Contact your state or local municipality for instructions on proper disposal to protect our environment. If a coolant spill occurs, call local authorities and ask for proper instruction on how to clean up the spill.

All reasonable care has been taken to ensure that the information herein is accurate as of the date of printing. The test results listed are typical properties only. Formula and blending changes may result in slight color and appearance changes. *DEX-COOL® is a registered trademark of General Motors Corporation.
